PRESIDENT'S MESSAGE

Getting To Know You

I am a transplant from the South and I love the Midwest. I was raised by engineers (mom and dad) and I am an engineer with 30 years of experience in large corporations. My work these days is with the KC STEM Alliance (www.kcstem.org), building programs that support women in STEM. I am a proud

mom, stepmom, feminist, rancher, hunter, photographer, and writer. I Tweet, Facebook, Snapchat, and Insta every chance I get.

I joined AAUW many years ago when I found myself socially isolated as a single mom, in a new town, working in a male-dominated industry.

I looked at the website (www.aauw.org) and I learned that when Marie Curie, a two-time Nobel Prize winner, needed one gram of radium (an element that she had discovered) to continue her research in radiation, the Association of Collegiate Alumnae (the predecessor to AAUW) raised the money and arranged for her to travel to the U.S., where President Warren Harding presented it to her.

I was astonished. I was hooked. I joined.

I found a sisterhood in AAUW that was remarkable. Wherever I

moved, there was always a welcoming branch.

The AAUW-KC branch became my first Kansas City friends three years ago. I felt welcomed immediately at the June Celebration Picnic. Since then, I have enjoyed our monthly branch meetings thanks to **Sara Pedram**'s tireless programming efforts. I am proud to be a part of a group that supports the KC community of women with scholarships, grants, and political action.

I am serving on the Board because I believe that there are a lot of women in KC that need AAUW-KC but have not heard of us (yet). This year, I will be working with the Board as we learn how to reach more women and have them experience the same welcome and support that we enjoy.

Now it's your turn: I would like to know what brought you to AAUW-KC and why you stayed. I'll be reaching out to you in the weeks ahead to hear your stories. I would like to feature them on our website and in our newsletters.

I'm looking forward to learning and growing as a branch and as a leader in 2016-2017. Thank you for this opportunity to serve.

Marian McClellan

THE NCCWSL EXPERIENCE!

BY PATTI JACHOWICZ, AAUW-KC COLLEGE/UNIVERSITY CHAIR

Makayla Hancock, UMKC student leader and communication studies major, received the 2016 AAUW-KC NCCWSL scholarship to attend the National Conference for College Women Student Leaders in Baltimore in June. This premier conference for college women students provides a transformative experience for attendees and prepares them to be the next generation of leaders.

Our branch had exceptional representation by Makayla and four other student leaders

from Kansas City Kansas Community College. They are **Maddie Nesselhuf, Haylee Richmond, Jolene More**l, and **Nadza White**. Maddie, AAUW-KCKCC president, presented at the conference on Women in STEM. Makayla remarked, "This conference was definitely an eye opener for me as I got to learn how to become a better leader, how to dare myself, and how wonderful it was to learn about other cultures. I am here to tell you that anything is possible if you put your heart and mind to it."

Come hear these future leaders share their experiences and inspiration at the Fall Fling on September 10!

AAUW FUNDS REPORT

BY DORETTA PERNA, AAUW-KC FUNDS CHAIR

This past May, we held our annual AAUW Funds drive. Each member received a letter, listing the various National Funds to which contributions may be made. These include the **General Fund**, the **Eleanor Roosevelt Fund** (for research), **Tech Savvy and Tech Trek** (providing girls with hands-on activities in STEM fields), and **Elect Her** (training for women to run for student government and future political office), among others. Thank you all who contributed so generously to the different funds. We have contributed over \$2,000 to various National Funds so far, with over 20 donations to the AAUW Fund, which is used as necessary with existing programs. **You can donate to these funds any time online at www.aauw.org.** Each gift is tax deductible, and goes to help fulfill our mission: "Advancing equity for women and girls through advocacy, education, philanthropy, and research."

Last Spring, at the state meeting, our branch was recognized as 3rd in the State for total giving, and 7th in per capita giving at \$55.27/ member. There was also a party to celebrate the full funding of the **Richardson Fund**.

I would like to take this time to thank former Funds Chair **Mary Emily Kitterman**, for all her hard work and dedication. We miss her, but know her family is overjoyed to have her and her husband, Gary, settled in their new home in Virginia, closer to them.

The film will be followed by a panel discussion by local voting rights activists including **Delores Furtado**, League of Women Voters; **Anita Russell**, NAACP; and **Quinton Lucas**, KU Professor and City Councilman, plus a moderator.
